September is here, and we have been praying for our Sprinkle Preaching Mission and Revival messages Rev. Dr. John Ed Mathison has planned for us! You're asked to pray about someone to invite to the services. It may be someone you feel needs to hear the Gospel message of Jesus Christ. It may be a neighbor or family member that you just want to feel the power of the Holy Spirit for whatever needs they may have or tough experiences life has thrown at them. Please encourage and pray that they would accept your invitation. You may want to invite them personally with a phone call, a visit or a written invitation. We will have copies of each evening's topics in the Narthex along with some invitations. Please feel free to pick up some and invite someone to share these wonderful messages with...together! If everyone does this we will have a full house as we praise God for His many blessings.

Sprinkle Preaching Mission

I'm so excited about our upcoming Sprinkle Preaching Mission Sept. 24-26 started by Dr. Henry and Mrs. Margaret Sprinkle many years ago. Our church and community have been blessed over the years by some great preachers. This year we welcome Dr. John Ed Mathison, of Montgomery, AL. who has been with us several times in recent years. Our committee is working hard to make preparations and we hope you will plan to come and invite others. We will have a nursery for pre-schoolers and a children's church Bible school for elementary children.

Endowment

We gratefully acknowledge the establishment of an endowment in the name of First UMC at the Davie Foundation by Grady and Cathy McClamrock. Each year the distribution of proceeds will occur in February and be available to use as the Administrative Board decides. All gifts will be appreciated for the continued financial strength for our church to fulfill its mission in the years to come. Please mark such gifts for: "First UMC Endowment." And remember the Church in your will.

Building Committee Update

Kevin Neal, Building Comm. Chairperson asked me to also share the following information:

The building committee has met and agreed to pursue a schematic / conceptual proposal for a new building to be located on the lot beside the current Family Life Center. The new building will consist primarily of youth/child classrooms, an adult classroom, preschool and afterschool, office and storage space, a half-court sized gymnasium/multi-purpose room and necessary additions such as foyer, restrooms, etc. The size of the building will be approximately 11,500 square feet. The building will be located on the lot to maximize the remainder of the lot for parking with the possibility of a playground behind the new building. The building will be completely handicap accessible.

The building committee is also determining the requirements to renovate that will add a restroom to the sanctuary side of the property that will be accessible from the sanctuary level without the need to go up or down steps from the sanctuary floor.

This renovation will be planned to take place as soon as possible provided the costs are approved in the budget year for capital improvements.

It is exciting to be a part of all God is doing in this church.

Blessings,
Glenn

Miracles Grow Deep Roots Community Gardens

September already! How fast the seasons have flown! Just two months left to our garden season! It has been a very unpredictable and amazing season so far. Soooo much rain, then drought, then rain again! But this has not hindered us as much as the little critters wanting to share our bounty! Still! Our total of giving so far is well above last year! Thanks to you all for your continued support!!

Young Daniel Dzierzewski from boy scout troop 734 from Advance completed his Eagle Scout project in August. Please stop by the Clement garden to see our beautiful new steps and brick walkway to the garden gate and the beautiful stone sign made and donated to us by Melanie Holloway which graces our entry way to the garden. Daniel and his boy scouts did an excellent job and they all should be very proud. Daniel, Christopher Mathes, Nicolas Mathes, Gray Thurlo, and Wesley Johnson along with boy scout leader John Dzierzewski should be commended for an excellent job well done.

Mary Angell, Beth Dixon, Alice Hanes, Giff Basham, Patty Harris, Amy and Rowan Talley and Dave and Diane Salmon from Deep Roots gave a helping hand during the Clement garden workday when they all were there at the garden.

Duke Power has also completed wiring us up for an electric pump for our rain barrels and we soon will have all the soaker hoses up and running thanks to our own Phillip Morris.

A cute story we thought you all would like to hear on how faithful God is to us all. Deep Roots tried an experiment of planting 12 round hills in an open grassy field at the Storehouse garden location, to see how this would work for growing watermelon and pumpkins. Four hills were devoted to pumpkins and eight to watermelons. We chose the "sugar baby" variety of watermelon as they are small and easy to handle. We discovered, however that someone helped themselves to the watermelon, cutting them all off the vines. We had about 80 watermelon. We were discouraged, of course; but two days later one of the Storehouse's employees came out to our garden to tell us that 1700 pounds of watermelon had been deposited at the storehouse, with no note as to who they were from. We all laughed because we KNEW who they were from!! You give in small buckets and God repays you in big buckets! What a blessing that all was! We have come to believe in this mission that all you have to do is to continue forward with your plans and leave the details to God. He always, always comes through.

Wow! What an incredible, Spirit filled summer we have had! We got to minister to over 40 kiddos this summer and their families. We had some incredibly neat families and situations that we got to be a part of this summer and I know that only God could have orchestrated things the way He did. We had tons of fun each day, singing praise and worship songs, having camp meeting, snack time, fun in the sun and more. Each week the kids learned a Bible verse to keep in their heart. We definitely became a family this summer for sure. We can't wait to see wait SDC 2018 holds! After School Care is enrolling NOW! Need an after school care for your child or grandchild? We offer care for K-8th grade. We do homework, snack and devotion time, weekly chapel, are involved in the community garden, will be involved with Backpack Buddies, visit Somerset and more. Dear Friends at First Church,

You are my amazing prayer warriors. Thanks to you, the surgeon was able to accomplish 90% of the goal and therefore eliminate the second surgery I was scheduled to have. What a wonderful relief and praise! God is so good and loves it when His sweet children gather with Him in prayer. Please know that I have wrapped myself in your love and your prayers with my cherished prayer quilt. Blest be the tie that binds my heart with yours.

Your friend in Christ, Vicki Fleming

FALL BIBLE STUDY

An in-depth study of the book of Romans is being offered beginning September 12 on Tuesdays from 10:00-12:00 in the Fellowship Hall. It is a 12 week study, and the books are \$9. Romans is considered the Apostle Paul's greatest literary achievement in which he explains crucial doctrines such as original sin, election, atonement, the role of the law, and justification by faith alone. If you are interested, please call or email Lillian Sharpe — 336-935-9014 / BS2005@aol.com.

Thank you FUMC family and his Sunday school class for the Christian love and care extended to us when Dad, George Burnett, passed away.
Betty and Dick Ward

Thank you all for your acts of kindness shown to me during my BUMP IN THE ROAD. Knowing there were so many prayers offered means so much.

**STEPHEN
MINISTRY**

Stephen Ministers: The After People

People often ask, "What exactly is a Stephen Minister?" One way to put it is that Stephen Ministers are the *After People*.

Stephen Ministers are there:

- ... *after* the phone call you hoped you'd never get.
- ... *after* the funeral, when everyone has left and the emotions you've held at bay come crashing in on you.
- ... *after* the relationship falls apart and the bottom falls out of your life.
- ... *after* the doctor says, "I'm sorry, but there's nothing more we can do."
- ... *after* the nursing home director shakes your hand and says, "Welcome to your new home."
- ... *after* the last child honks the horn, waves, and drives away—and the house suddenly seems empty.
- ... *after* the gavel comes down, the handcuffs go on, and your loved one is led away.
- ... *after* the baby arrives, demanding more of you than you ever dreamed possible.
- ... *after* you find a pink slip with your final paycheck.
- ... *after* your family and friends have heard your story one too many times, but you still need to talk it out.

Stephen Ministers are the After People. They are ready to come alongside you—or your friends, neighbors, coworkers, or relatives—and provide comfort and support for as long *after* as needed.

FROM PRESCHOOL & MUSIC DEPARTMENT

Preschool is beginning the 2017/2018 year! The 3's and 4's classes are full, but can still accept a couple of 2 year olds. As church members you are at the top of the list when you have a child qualified for Preschool. Many times we cannot enroll 3's and 4's because the 2's from the previous year have filled up the openings in the next year's enrollment. To be sure of a place in our 3's and 4's, those who wish their child to attend First Methodist Preschool should begin enrolling their children in the 2 year old program. Occasionally because of moving, illness, etc., there are vacancies in the older classes. We are always glad to put children's names on our waiting list. Please call the Preschool office 336.753.1900 or 336.751.2503 X 2222 if any of this information pertains to you, your family or acquaintances

Children's Choir, chimes, snacks, and games, starts up on Tuesday, September 5 from 3 - 5pm. Please encourage your children to be part of our Music Ministry each Tuesday afternoon.

The Adult Handbell Choir is busy preparing music to perform Christmas music at the Biltmore Estate candlelight tour on Saturday, November 18. The Bells will play for 30 minutes each at 6:00, 7:00, 8:00, 9:00 and 10:30 PM. If you wish to attend the Candlelight Concerts there, you may get your tickets by calling the Biltmore Estate at 828-255-1413.

Dear Friends:

Fall will be here before we know it and it is time for our second fund raiser for Prayers and Squares! March's event was so successful that the demand for a second event could not be denied! So, I'm inviting you to our second Pop-Up-Boutique scheduled for October 7th featuring LuLaRoe clothing, Premier Designs jewelry and Mary Kay products. It will be a floating party in the Fellowship Hall of First United Methodist Church of Mocksville. The hall is located behind the main sanctuary just off of on Main St. (Church St) from 1-4pm. **Again, 10 percent of the sales will go to support the Prayers for Squares Ministry at the church. We will also have a raffle for a free item from each of the featured lines with 100% going to the ministry. Tickets will be available for \$1.00 each or 6 for \$5.00 or 13 for \$10.00.** My daughter Catherine MacCallum, has told me that there are couple of new designs that will be available a new dress and a new cardigan plus Disney leggings. Jane Seamon will have her latest designs and Jenna Hendricks will have a full line of Mary Kay. Please come and join the fun and help support this wonderful ministry. **Please feel free to invite your friends.** Thank you and I will look forward to seeing you on the 7th.

The United Methodist Men need some volunteers to help out with the Davie High Football Meal September 15, 2017, which will be held in the Family Life Center. We will need some people to come at 1:00 pm for preparation and we need some to come at 3:00 pm to serve. We should be finished around 6:00 pm. Please let Dave Salmon at [\(336\) 309-1665](tel:3363091665) or Eugene Crowe at [\(336\) 909-1534](tel:3369091534) know if you can help.

FUMC Wellness Walkers: In this heat and humidity, it's hard to imagine taking long walks or hiking. However, on September 11, 2017 FUMC will begin our Fall Wellness Walking Program in the hopes that the heat and humidity are on the decline. We are excited to get back in the groove! Last Spring our average daily steps were 44,500 steps per week. That's pretty impressive! Pedometers will be ordered for church members who do not have an activity watch or a working pedometer. If you are interested in the Fall Walking Program, please contact Kristen Paterson 336-936-9502, or by text 336-624-0501, or by email klk5279@gmail.com Additionally, please indicate if you need a pedometer. Let's get moving, FUMC!

NEW CLASS A new Sunday School class is starting this fall, and anyone that is not currently involved in a class, is welcome to attend our information session during the Sunday School hour on September 10 in the Family Life Center. Lisa Prillaman will be facilitating the new class.
