On Sunday, 7/28 the worship service will be brought by the Cherry Street Prison Choir from Winston Salem. They will lead in music and speak. Following the service, there will be a church-wide covered dish potluck. Please be very generous in your homecooking. The group will appreciate it very much. Comfort foods – fried chicken, mac/cheese, veggies, biscuits, rolls, etc are good choices! Bring a dish or two and have a great lunch.

Alzheimer's disease is a type of brain disease, just as coronary artery disease is a type of heart disease. It is caused by damage to nerve cells (neurons) in the brain. The brain's neurons are essential to all human activity, including thinking, talking and walking. Most of us know someone who has been diagnosed with Alzheimer's. Many of us have been or are caregivers for those who have the disease. Without going back too far in the history of the church, The Sprinkle Preaching Committee could think of 25 church members who either have Alzheimer's Disease or died from complications of the disease. We want to work towards finding an end to Alzheimer's. The 2024 Sprinkle Preaching Mission has chosen The Alzheimer's Association as the mission focus. Will you help us raise money and awareness? Gather with friends and family and participate in the Walk to End Alzheimer's on August 17, 2024 at 10:00 AM beginning in the church parking lot. You can serve as greeters to others who join us that day, set up the tables and chairs in the Family Life Center, or serve water along the walk route. Together we can make a strong statement to our community about the need for continued research for stopping Alzheimer's. If you have questions, see one of the Sprinkle Preaching Committee Members: Jean Hinshaw, Angie Jordan, Shirley Cottle, Caroline Cress, Lou Wilson, Hannah Howell, or Lori Anne Bowen. And remember the weekly prayer push each week.
